

**"Father" as rendered in Mallouhi's, Al-ma'ana Al-SaHIH Li Injil Al-masIH,
or "The True Meaning of the Gospel of Christ"**

Complete list of the Gospels and Acts, compilation, chart, and back translation by Adam Simnowitz

Total of 196 occurrences, including the 12 times "father/Father" occurs in the Prodigal Son story which are indicated with an asterisk (all from Luke 15).

NOT ONCE IS "Father" IN REFERENCE TO GOD EVER LITERALLY TRANSLATED. This is all the more striking since Muslims are not offended by "father" in reference to God as they are offended by "Son of God." Many Muslims are attracted by the intimacy that calling God, "Father," conveys (cf. Bilquis Sheikh's testimony, "I Dared to Call Him, 'Father.'")
